PROFESSIONAL EXPERIENCE

Bookkeeper / Customer Support | Castrol Philippines

2022 – 2024

- Managed full-cycle bookkeeping in QuickBooks Online, including transaction categorization, AP/AR, and bank reconciliations across 100+ monthly entries.
- Reconciled sales records, supplier invoices, and payment documentation, reducing discrepancies and improving reporting accuracy.
- Prepared monthly financial summaries and supported leadership with ad hoc reporting and expense analysis.
- Maintained accurate service records and customer documentation.
- Processed invoices, work orders, and payment records.
- Handled invoicing, payment processing, and cash reconciliation.

Project Cost Controller / Accounting Assistant | Frontier Tower Associates Philippines

2020 – 2022

- Monitored project budgets and tracked actual project costs across multiple telecommunications infrastructure projects.
- Prepared and maintained detailed project cost reports using Microsoft Excel.
- Verified supplier invoices, purchase orders, and subcontractor billings for accuracy before processing.
- Assisted with accounts payable by matching invoices with supporting documents and approved purchase orders.
- Tracked project expenses and ensured accurate cost allocation to individual projects.
- Performed reconciliations of project expenditures and assisted in resolving cost discrepancies.

Data Encoder / Administrative Support | Local Government Unit of Malungon

2017 – 2020

- Processed 100+ administrative and financial records weekly in Google Sheets, ensuring data integrity and organized filing.
